## NEWS OF THE CITY.

## BREVITIES.

—The Roughs want new hose.

—Picnics are the order of the day.

—City Attorney Pope is at Springfield.

—"New departure" Democrats are numerous in Cairo.

—Marshall Cain will commence his raid against the dogs of the city, June 1st.

—Men's Fine Seal Skin Gaiters, and also "Prince Alberts," at Elliott & Haythorn's.

—The Young Folks are on the qui vive for the Calico Hop to-night at Phillips' Hall.

—Judge Bross and Schuh, Esq., were in Mound City on Wednesday last, and Hamilton met his match.

—The tug "Cacbe" is now making regular trips between Cairo and Mound City. Capt. Sandusky commands.

—THE BULLETIN Book Bindery, presided over by the amiable Silverburg, is doing a thriving business.

—Don't forget the tobacco sales to-day at the Ballard Warehouse. Every business man of the city should be present.

—The Committee on Police and Jail have determined to report in favor of increasing the police force of the city.

—The city jail improvements are progressing finely. An addition has been built, and a new roof put upon the building.

—Gents Oxford Ties, Prince Alberts and Opera Slippers, at the "City Shoe Store," corner of Commercial avenue and Eighth street.

—The reparation of the sidewalks is progressing rapidly. Devore, the carpenter, is an expert, and can make an old sidewalk as good as new in the twinkling of an eye.

—The German school picnic, to be given at Flora Garden on next Monday, will be a really joyous affair. The lady friends of the school held a meeting last night to make arrangements for the occasion.

—The steamer T. F. Eckert will make two trips to Mound City on Decoration day, leaving Cairo at 9 and 11 o'clock, a.m. Fare for the round trip 50 cents. m25td

—An extensive fire occurred at Jonesboro last Saturday night. Tisner & Hoffman's extensive flouring mill was entirely consumed, and four other buildings. Loss about \$20,000.

—The Hibernians boast that they have the best "little engine" in the city. They display the horse, and invite the world to take them—if the world can by out-throwing their little machine.

—Mr. Houtt has removed his jewelry store from 216 to 150, Washington Avenue, between Ninth and Tenth streets, where he will be pleased to meet all his old customers and friends, and as many new ones as choose to call on him.

Particular attention is called to the ladies' misses and children's colored shoes, of which a very choice and stylish stock may be found at the City Shoe Store.

my17tf

—Why, in the name of all the beings who detest horrible noises, is not the persistent screeching of steamboat whistles at our wharf stopped? Can't the police enforce the ordinance?

—The picnic given by the pupils of the Loretto Academy yesterday, was a very pleasant affair. About two hundred persons were present, and all seemed to be well pleased with the trip, and enjoy themselves generally.

—Mr. Atwood, Secretary of the Illinois Mutual Fire Insurance Company, was in the city on Wednesday. Mr. Atwood has been Secretary of the above company for thirty-two years. Judge Bross is the agent of the company in this city.

—The proposed cow ordinance meets with little favor from the public. Many citizens when speaking of it use curses that are both loud and deep. But the goats of the city haven't a friend to utter a word of protest in their behalf.

Miss Ida Harrell will receive a few more pupils for instruction in the theory and practice of piano music. Use of instrument furnished if desired. For terms, etc., apply at 302 Washington avenue. 2t

—The assessment of assessor Burnett has not yet occasioned much loud talk—but wait a little longer. No assessor has heretofore escaped, and Burnett cannot hope to be more fortunate than his predecessors.

—Dr. Dunning has been over the branch of the Cairo and Fulton road between Cairo and Charleston and informs the Sun that so far as that railroad is concerned everything is lovely and the goose hangs high.

—Perry Powers will take a benefit tonight. The proceeds of the exhibition to be given by James T. Johnson's Circus and animal show this evening, will go in to Perry's purse. The company is said to be really meritorious, and our citizens will be entertained by attending the show, and by their patronage will contribute materially to the exchequer of an old citizen of Cairo. Turn out.

—The Liver is more frequently the seat of disease than is generally supposed, for upon its regular action depends, in a great measure, the powers of the stomach, bowels, brain and the whole nervous system. Regulate that important organ by taking Simons' Liver Regulator, and you prevent most of the diseases that flesh is heir to. my25tdwlm

—After all the ado about the injustice of the Fox, Howard & Co. interest fund tax, there remains, of the nine thousand dollars levied, only about \$70 unpaid. On every hand there were tax-payers who threatened to fight the tax to the bitter end; "it was outrageous and they would not stand it"—yet, the great majority of them simmered quietly down, paid their tax like good boys, and said no more about it. The bulk of the amount remaining unpaid is due from non-residents, who, perhaps, another year, rather than have a cloud thrown over the title of their property, by its sale by the collector, will come forward and pay, and wait for the relief the council is trying to provide for them.

—The sale of property delinquent for city taxes, is not yet closed. Parties whose lots have not yet been sold can save the 100 per cent. penalty, by calling on the collector immediately and paying up. There is no doubt of the ability of the collector to sell all the lots delinquent, and the readiness with which well-posted gentlemen buy the offerings is pretty good evidence that the sale will "stick." Every lot yet offered, (unless forfeited by agreement for special reasons) has been sold.

—The Comptroller's assessment of the city realty, for the tax levy of 1871, amounts to \$1,870,000. The personal property is valued at about \$500,000, making the total valuation something over \$2,300,000. One fact has not escaped our observation. It is this: That the poor man who has secured himself a little home at a cost of about a thousand dollars, generally gives in a valuation very nearly approximating the actual cost of his property. In this way the poor are called upon to bear an undue portion of our public burdens. When a man fixes his own valuation upon his taxable effects, it is scarcely the province of the Assessor to tell him he is putting his figures too high.

—"Some parties" have intimated that the Sun, which shines a little for all, don't advocate the construction of the Cairo and Vincennes railroad from principle, but because the little luminary is under obligations to "certain men" from whom it receives its little bread and butter. Lord bless your dear little soul, Sunny dear, who is the wicked man who has been thus traducing you? Bross? Well, well; don't mind him. He can't help it. He is, you know, the only really honest man in the city, and has, therefore, a right to deal damnation round about. But, Sunny, my boy, when next you talk with Bross, let him know that your condemnation of his conduct has grown out of detestation of his official stubbornness, and has not resulted from fear of the influence of cliques, you know. Selah.

**TAKE NOTICE—TIME TABLE OF THE ILLINOIS CENTRAL RAILROAD.**—On and after Sunday, May 14th, 1871, the following time-table will govern the arrival and departure of passenger trains at Cairo: Depart—Mail train, daily, 11:45 a.m. Express, daily, 12:30 p.m. Arrive—Mail, daily, 3:30 a.m. Express, daily, except Sunday, 4:30 p.m.

Although the regular St. Louis train is taken off both trains out of Cairo will have through cars for St. Louis, which will be taken through from Du Quoin by the trains on the Belleville road. Direct and close connection will be made at Du Quoin, and there will be no change of cars from Cairo to St. Louis. The train leaving Cairo at 11:45 p.m. will have a through sleeping car for St. Louis. The attention of shippers is especially called to the fact that a Fruit Express train will leave Cairo daily, Saturdays excepted, and will make the run from this city to Chicago in twenty-two hours.

JAS. JOHNSON, Agent.

**GLASS.**—Mr. Charles Hurd yesterday showed us a specimen of glass made of sand procured within four miles of Cairo. The specimen was manufactured at New Albany, Ind., and is fully equal, if not superior, to English glass. There are but two factories in the United States that manufacture such glass, the one is at New Albany, Ind., and the other in Massachusetts. Efforts have been made to produce a similar quality at Pittsburg, but have always been abandoned. The bed of this sand is twenty-five feet thick. It is estimated that \$12,000 would place in operation a factory in Cairo. Here is an opportunity for some of our business men to engage in what must prove a profitable business.

**DECORATION DAY.**—The ceremony of decorating the soldier's graves in the National cemetery at Mound City, will take place on Tuesday, May 30th. For the accommodation of the large number of citizens of this city who propose to attend, arrangements have been made to have the steamer A. Baker to make two trips during the day, carrying all adult persons for 50 cents each, and children under ten years of age, free. The boat will leave the foot of Eighth street at 8 o'clock a.m., and 12 o'clock m., promptly. All persons who desire to go should be on board at that hour.

my25td J. B. HUDSON, Master.

**FITZGERALD'S SAMPLE ROOMS.**—Persons bibulously inclined, lovers of the exhilarating juice of the corn and juice of the grape, or malt beverages, should call immediately at the sample rooms, on corner Commercial avenue and Fourteenth street. Besides everything in the drinking line, of the purest kind, he has the most fragrant Havana cigars, importations from Cuba, that land of narcotic weeds. Fitzgerald keeps a first-class place, and has with him Jimmy English, who knows everybody, and knows the wants of everybody and who is a gentleman, every inch of him.

**BALLARD TOBACCO FAIR.**—Arrangements for the tobacco fair of the Ballard Warehouse, to be given on the 28th of June are already being made. The citizens are giving to the project encouragement of the most substantial description,—are, in fact, opening their purses and contributing the contents with great liberality to the fund necessary to make up the premiums, and meet the expenses of the fair. We have not the least doubt that the coming fair will be a very grand success, and we expect to see the city crowded with strangers from far and near.

If you desire a mild, pleasant, safe and agreeable Cathartic, which will cause neither nausea or griping pains, use nature's remedy. **HELMHOLD'S GRAPE-PILLS.** They are purely vegetable, their component parts being Catawba Grape Juice and Fluid Extract Rhubarb. Should you desire a brilliant complexion, youthful appearance, new life, new, fresh blood and renewed vigor, use HELMHOLD'S BARSAPARILLA.

**SUNDAY SCHOOL PICNIC.**—The teachers of the Sunday school of the Church of the Redeemer, will give their scholars a picnic in Flora Garden Grove on Saturday, May 27th. The school will form in procession at the church and march to the grove. Conveyances will be at hand for the accommodation of the younger scholars and such others as are unable to walk to the grove.

Parents and friends of the school are invited to attend, and requested to send refreshments for the occasion to the church on 14th street, promptly by half-past nine o'clock, Saturday morning. my25-2t

**DID YOU EVER?**—"No, I never," saw a more cozy and complete barber shop than that of Anthony Eschbach, one door below the post office. The room has been newly papered, the floor newly covered and the whole establishment put in first-class order. Eschbach is one of the most experienced, skillful and accommodating barbers in the State, employs courteous and expert assistants, and keeps just such a shop as citizens and strangers will take a solid satisfaction in patronizing. my18dlm

**ROOMS TO RENT.**—Four large airy rooms on second floor, in the brick building, corner of 14th street and Washington avenue, opposite the new Custom house. The rooms are in complete order, having been recently renovated throughout; a wide balcony in front is connected with them. Price \$10 per month; also, 3 other rooms on same floor, in good condition, and will be rented for \$6 per month. The whole seven rooms could be used by one family, if desired. Apply to F. BLANGENBURG, on the premises.

Do not forget that on to-morrow night the "Sappho's" put in an appearance at the Athenaeum. It is impossible for us to say more for them than the press have already done, or than they really deserve. To hear Miss Selia Ellis sing "Sweet Home" just once, is alone worth the price of admission, and those who hear it will not soon forget the beautiful songstress and fascinating actress. While Miss Ellis as a comic singer has no equal.

**THE FENTON CORN MILL.**—This establishment, corner of Commercial avenue and Twentieth street, is now in charge of Mr. M. D. Gunter, who having purchased and thoroughly refitted it, invites the attention of the public to the fact that he is now prepared to furnish dealers and families with the very best article of corn meal. Orders left at the mill or sent through the postoffice will receive prompt attention.

**ST. LOUIS JOURNAL OF COMMERCE ON CAIRO.**—In another column of THE BULLETIN we publish a portion of an article on Cairo from the St. Louis Journal of Commerce. We shall give an installment of the article to-morrow, and will publish it at length in our weekly edition. Persons wishing extra copies of the WEEKLY BULLETIN containing the article should send in their orders by Saturday evening.

**A CURE GUARANTEED.**—Kress' Fever Tonic is universally recognized as the best medicine extant for the cure of fevers. It is for sale by P. G. Schuh, druggist, two doors south of the postoffice, and he guarantees all who buy from him that it will cure chills and fevers. If it does not cure Mr. Schuh agrees to return the money. Can anything be fairer than this? my24tf

**POLICE COURT.**—There were but two cases before Squire Shanessy yesterday. Henry Reed and Frank Watkins went on a spree and to pass time amused themselves by breaking in the windows and doors of a house on Fourth street, occupied by Jennie Davis. They were fined \$5 and costs each.

D. Sanford was arrested for disorderly conduct, and permitted to contribute \$5 to the city. Paid.

**AN ADVANTAGE.**—A great advantage possessed by the Charter Oak Store is that owing to its capacity and draft, you can burn almost any kind of wood, and on account of its substance and retention of heat, you can run it with greenwood after it is heated, by having a small amount of kindling material.

Those having to prepare fuel for ordinary small stoves will appreciate this advantage. my22tf

Who is it that does not like smoking hot biscuits for breakfast? The Fame Cook stove will bake them in five minutes time by the watch. tf

Mr. P. G. Schuh, druggist, Commercial Avenue, near the postoffice, proclaims his ability to sell Feather Dusters cheaper than any other dealer in the city. m24tf

## ORDINANCE NO. 113.

An ordinance to restrain dogs from running at large within the limits of the city.
